

Zebra Crossings statement concerning COVID-19

As news of the spread of the coronavirus (COVID-19) becomes available, Zebra Crossings (ZC) is proactively planning for any impact to our programs. We are concerned with the health and well-being of all of the participants and staff in our communities and are monitoring the developing situation closely.

At this time, Zebra Crossings will not be providing the following live camp programs:

- Camp Spinnaker, our residential asthma camp. This program represents a broader geographic region, transportation services, a higher number of medical volunteers, and more logistics.
