Schedule subject to change

Come and reconnect with us at Challenger Camp! Zoom in every day to gather the clues to escape the Zoom Room!

Every day there will be small challenges as we build our virtual community in three one hour sessions each day!

In the mornings at nine, we will rise and shine with a snapshot of the day and a quick wake-me-up game; **don't forget your daily clue**.

Mid morning, we will create our own world with items from Camp-in-a-box. At three, we will reunite as a community for a large group activity to play

The last session of camp you will gather all your clues for a grand finale of an all group escape room challenge!

and explore.
